

TURKEY WEEK

4 DAYS TO GO

Four days to go, hope you have made arrangements to be there. It is imperative to have enough cars and drivers, so please consider helping if you haven't signed up yet. As you come to the packing station, be thinking about how you as one person... are making a difference today through God's infinite wisdom and grace.

Remember the real blessing is not how fast we can pack the boxes, or how many boxes we have, it is putting the box in the hands of folks who need a little pick-me-up this Christmas. This will be the eighth year C3 has done this and, we will have delivered over 3,500 boxes valued at over \$88,000 when we are done this Saturday.

The mission is to help others and impact the community with the great news of Jesus Christ, please help us this Saturday. I promise you, this is an experience that you will remember for a very long time.

The count down continues, thanks for your help. Talk to you tomorrow. God Bless, Jay

"Impacting the Ohio Valley with the great news of Jesus Christ"
