

# TURKEY WEEK

## DAYS TO GO

Hi guys, since most of you probably got the Mid-Week update message, I will be brief and focus on what would be good to bring with you on Saturday. The top 10 list for Turkey Day.....

1. Your largest vehicle
2. Your second largest vehicle
3. A teenager if you have one in your house
4. No teenager in your house, bring one from someone else's house
5. A tape gun and/or box cutter
6. A dollie/dolly(?) if you have one. If she can talk, it is not the right one.
7. Maps of the area
8. A G.P.S. system if available
9. An early arrival...if you can come at 7:00am to help unload and stage
10. A warm heart and gentle spirit to serve the folks we will visit on Saturday

The count down continues, thanks for your help. Talk to you tomorrow. God Bless, Jay
