

*When we truly and deeply understand that everything we have is a gift from God, generosity will overflow from us.*

At Covenant, we believe that everything we have belongs to God and He has entrusted us to be good stewards.

Whether it is in the form of finances, resources, service or time, it is a believer's responsibility to give back to the Lord. Hopefully, you'll find the answers you need concerning online giving information.

Our online giving is located on our web site ([www.C3wheeling.com](http://www.C3wheeling.com)). There you will find a **Giving** tab at the top of the home page. Please click on the tab and you will be sent to our Giving information.

The first thing you will see is that we do not accept credit cards. We do not believe that debt is part of giving and would not put our people in that situation. You can use your checking or savings account to provide funding for your giving. The following is a "**How To**" for the online giving process.

*"But just as you excel in everything – in faith, in speech, in knowledge, in complete earnestness and in your love for us – see that you also excel in the grace of giving." 2 Corinthians 8:7*

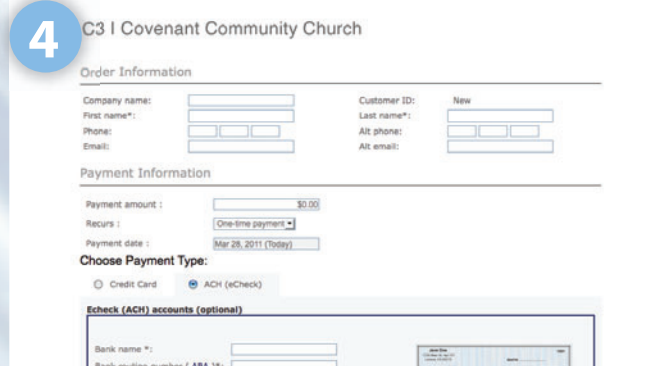

Go to [www.C3Wheeling.com](http://www.C3Wheeling.com) web site. On the home page at the top right, click on the word **Giving**.

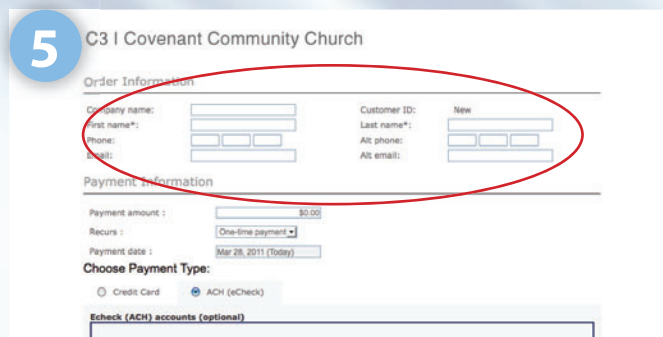

Now that you are on the **Giving** page, you will be given information on different giving opportunities, instructions to give online, and a short video about giving at C3 from people who sit beside you every week. We really would like for you to take a couple of minutes and watch this video.

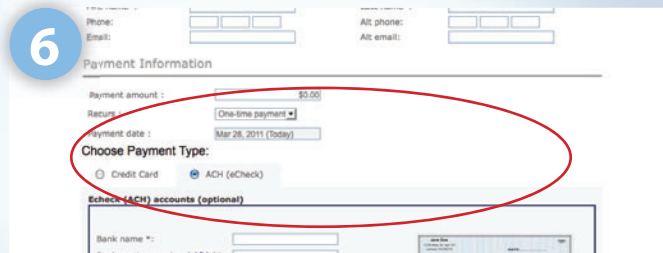

After reading and watching the video, you are now ready to process your C3 Online Giving request. Click on the **Give Now** tab on the page and you are on your way to a safe and secure page that will walk you through the progression. The entire procedure will take under 5 minutes this first time. If you choose to have your giving reoccur weekly, biweekly or monthly, you will not have to repeat this process.

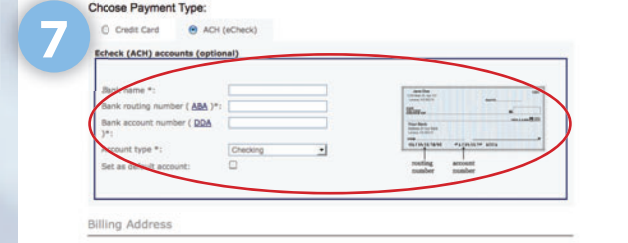

You are now on the page where you will fill out information about yourself and your bank.

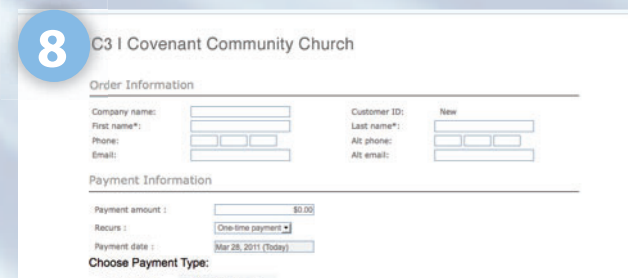

The first part is your personal information, such as name, address, etc. Please fill out this section completely; all boxes marked as required(\*) must be filled in for the request to work. Take your time; you are almost finished.

You will now enter the payment amount as well as the recurrence schedule. Choose what works for you best. The payment type is either checking or savings account. C3 does not accept credit cards for giving; we feel that debt is not true giving and do not want to put anyone in that position. One more box and you are finished.

Now we need the information on your account. If you look on one of your checks you will see two numbers at the bottom. The left bottom number is the routing number; enter it now. The number on the right side is your account number; enter it at this time. Answer the other questions, fill in the billing address information and hit the "Give Now" button at the bottom of the page.

*Congratulations*, you are finished and the transaction will be processed! Your funds will be attached immediately as a pending status and withdrawn within 48 hours from your account. If you have chosen the reoccurrence method, your funds will be automatically withdrawn based upon your selected frequency.
