OUR VISION

Covenant Community Church will be a dynamic regional church in the Ohio Valley that powerfully proclaims the Good News of the free grace of God to all and impacts this community and the world by multiplying disciples for Christ. We will always welcome those seeking answers to life's questions and will focus on providing growth and ministry opportunities to help them develop into mature believers. As we grow larger in numbers, we will maintain close, intimate fellowship with each church member through an active network of small groups across the tri-state area. We desire that all we do and say will be for the glory of God.
