

2022 LEADERSHIP DEVELOPMENT PLAN

OBJECTIVE

To help develop the volunteers and leaders of C3 in Christlike characteristics and life competencies so that they become Kingdom ambassadors of God's Good News to our community.

STRATEGY

One-on-One Meetings

Every few weeks I would like to check in with you, see how your ministry is doing and see how you are growing.

Weekly Emails

Each week you'll get an email to keep you informed and growing (see column right).

Quarterly Meetings

Our quarterly meetings will be a time of celebration, communication and calendaring. Current dates are 2/27, 5/1, 8/28 and 11/6.

Annual Celebration

Once a year, I would like all leaders and volunteers to have an offsite celebration where we can highlight how God has been at work during the year. TBD

ANNUAL DISCIPLESHIP PATH

To lead the people of C3 in a unified vision of what being Christ-centered looks like, we (the leaders) need so be learning *together* what the Bible says about the Christian life. This learning path is designed to cover every major theological topic, but do so through the lens of Jesus. It is also designed not only to challenge our minds, but change our behaviors.
